

# YASH AGRAWAL

Software Developer

yash.agrawal\_cs22@gla.ac.in | 7818944285 | 27/2A Janakpuri Maholi Road Mathura

## EDUCATION

---

**GLA University**  
Computer Science B.Tech  
CGPA: 7.9

Mathura , Uttar Pradesh  
july 2022 - july 2026

**RSPS**  
Degree in Intermediate  
Percentage: 74%

Mathura , Uttar Pradesh  
May 2021 - May 2022

**RSPS**  
Degree in High School  
Percentage: 80%

Mathura , Uttar Pradesh  
may 2019 - may 2022

## EXPERIENCE

---

### Coding Blocks | Competitive Programming

Mathura , Uttar Pradesh | June 2023 - July 2023

During this duration of 2 Months I learned to Solve complex algorithmic challenges under time constraints, demonstrating proficiency in data structures and algorithms. Utilized programming languages Java and C to implement solutions, highlighting versatility and technical expertise.

## SKILLS

---

Programming Languages: Java, C, Python  
Libraries/Frameworks: JavaScript  
Tools / Platforms: VS Code  
Databases: SQL, MongoDB

## PROJECTS / OPEN-SOURCE

---

### Auction Platform

JavaScript, React, MongoDB

With this project i was aiming to enhance my skills on creating a Full-Stack Project where database (mongoDB) , nodejs, javaScript, React are used. we have completed this as a team of 5 members. My task was to work with javaScript and create a dashboard with basics of react.Strengthened team collaboration and code quality through agile practices, version control (Git), and peer reviews.

### Chat Application

HTML, Css, Js, Node.js

Designed and developed a full-stack web application enabling users to share media and engage in real-time conversations, using MERN stack technologies.Built a real-time chat system using WebSockets, allowing seamless and instant communication among users.Strengthened expertise in asynchronous JavaScript, full-stack architecture, and handling complex user flows.

### HangMan Game

HTML, Css, Js

Developed an entertaining word guessing game featuring hints and real-time feedback, exploring core concepts of full-stack web development.Strengthened foundational knowledge of asynchronous JavaScript and RESTful API integration.Focused on clean UI design and intuitive gameplay to enhance user engagement and retention.

## CERTIFICATIONS

---

- Competitive Programming - Coding Blocks.
- Software Engineering - Nptel.
